

BRODHEAD LAW, LLC ATLANTA

A PROVEN LEADER IN TRUCKING LITIGATION

Brodhead Law has been a leader in the field of trucking litigation for over 10 years, and 2011 was no exception. With trucking verdicts and settlements exceeding \$20 million, very few firms can claim equal success, and it is no wonder why so many firms refer their trucking cases to Brodhead Law. Ben C. Brodhead's efforts and accomplishments on behalf of his clients have earned him inclusion on the *Georgia Super Lawyers*® list for the fifth year in a row.

Another key component to Brodhead Law's success is its Managing Director, Holli L. Clark. Rather than having attorneys attempt to run the business side of the firm, Brodhead hired Clark, a business professional with experience in upper management of a Fortune 500 Company. In addition to her business expertise, Clark also has extensive experience in coordinating the litigation process, and her management of the firm for the past 12 years has allowed the lawyers of Brodhead Law to focus on innovative legal strategies to dramatically increase recoveries for their clients.

Brodhead and Clark have built a team of legal professionals that can handle the most complex issues with the highest

level of skill, innovation and customer service. Brodhead Law's formula for success also includes Robert B. Tidwell, Esq., who has been named to the 2012 *Rising Stars* list, published in *Georgia Super Lawyers*. With eight years of experience as an insurance defense attorney, Tidwell brings insight into the strategies of the defense industry that can only come from an insider. Brodhead Law completes its legal team with Attorney Jennifer S. Mundy, Investigator Traici L. Sexton and Paralegal Sara A. Pettinelli. The contributions of each member of this legal team make Brodhead Law a force in trucking litigation.

Quite simply, when a trucking company causes a serious injury or death, there is no better firm to call than Brodhead Law.
